- *Any permit issued for placement of a Dumpster on private property shall be valid for a period of 60 days, and a sticker or notice shall be prominently displayed on the Dumpster or on the property upon which the unit is placed indicating the commencement and expiration dates of the permit.*
- *Upon a showing of continued need for the Dumpster (such as during the course of major construction projects), the Zoning Officer may renew a permit for up to two additional periods, upon the filing of an application for renewal and payment of the additional fee for the type of permit renewal requested.*
- *The dumpster shall be placed in a safe location. If, in the opinion of the Police Department or the Borough Engineer, the location is sufficiently close to a vehicular intersection or pedestrian path, the permit may require that the unit be equipped with appropriate reflectors or other safety markings so that the unit will not constitute a hazard to traffic or pedestrians. The specific number, location and type of markings shall be determined by the Police Department or the Borough Engineer and noted on the permit at the time of its issuance or at any time thereafter.*

General restrictions and requirements

A. No more than one Dumpster may be placed on any property at one time and no more than one permit may be issued for any property, including any renewals of said permit, during a twelve-month period.

B. No hazardous material or organic waste shall be placed in a Dumpster.

C. The owner of the Dumpster and the owner of the site on which the unit is located shall be jointly responsible to ensure that the Dumpster is in good condition, free from evidence of deterioration, weathering, discoloration, rust, ripping, tearing or other holes or breaks.

Responsibility for compliance

The person contracting for the use of a Dumpster and the owner of the property associated with its use shall be jointly responsible for compliance with the provisions of this chapter. Copies of the penalty provisions of this chapter shall be appended to the permit and shall be mailed with a copy of the permit to the owner of the Dumpster, the property owner, and any other interested party.

Violations and penalties

A. It shall be unlawful for a Dumpster to remain on any property in excess of the time period set forth in the permit issued by the Borough. Each day a Dumpster remains on a property in violation of the provisions of this chapter shall be considered a separate violation subject to the penalty provisions set forth below.

B. Any person who violates any provision of this chapter shall, upon conviction in Municipal Court or any other court having jurisdiction, be liable to a fine not exceeding \$2,000, or imprisonment for a term not exceeding 90 days, or community service for a term not exceeding 90 days, or any combination of the above.
