Santa Run

Saturday, December 18
2021

Rain/Snow Date: Sunday, December 19

ROUTE MAP

ADVICE FROM SANTA'S ELVES

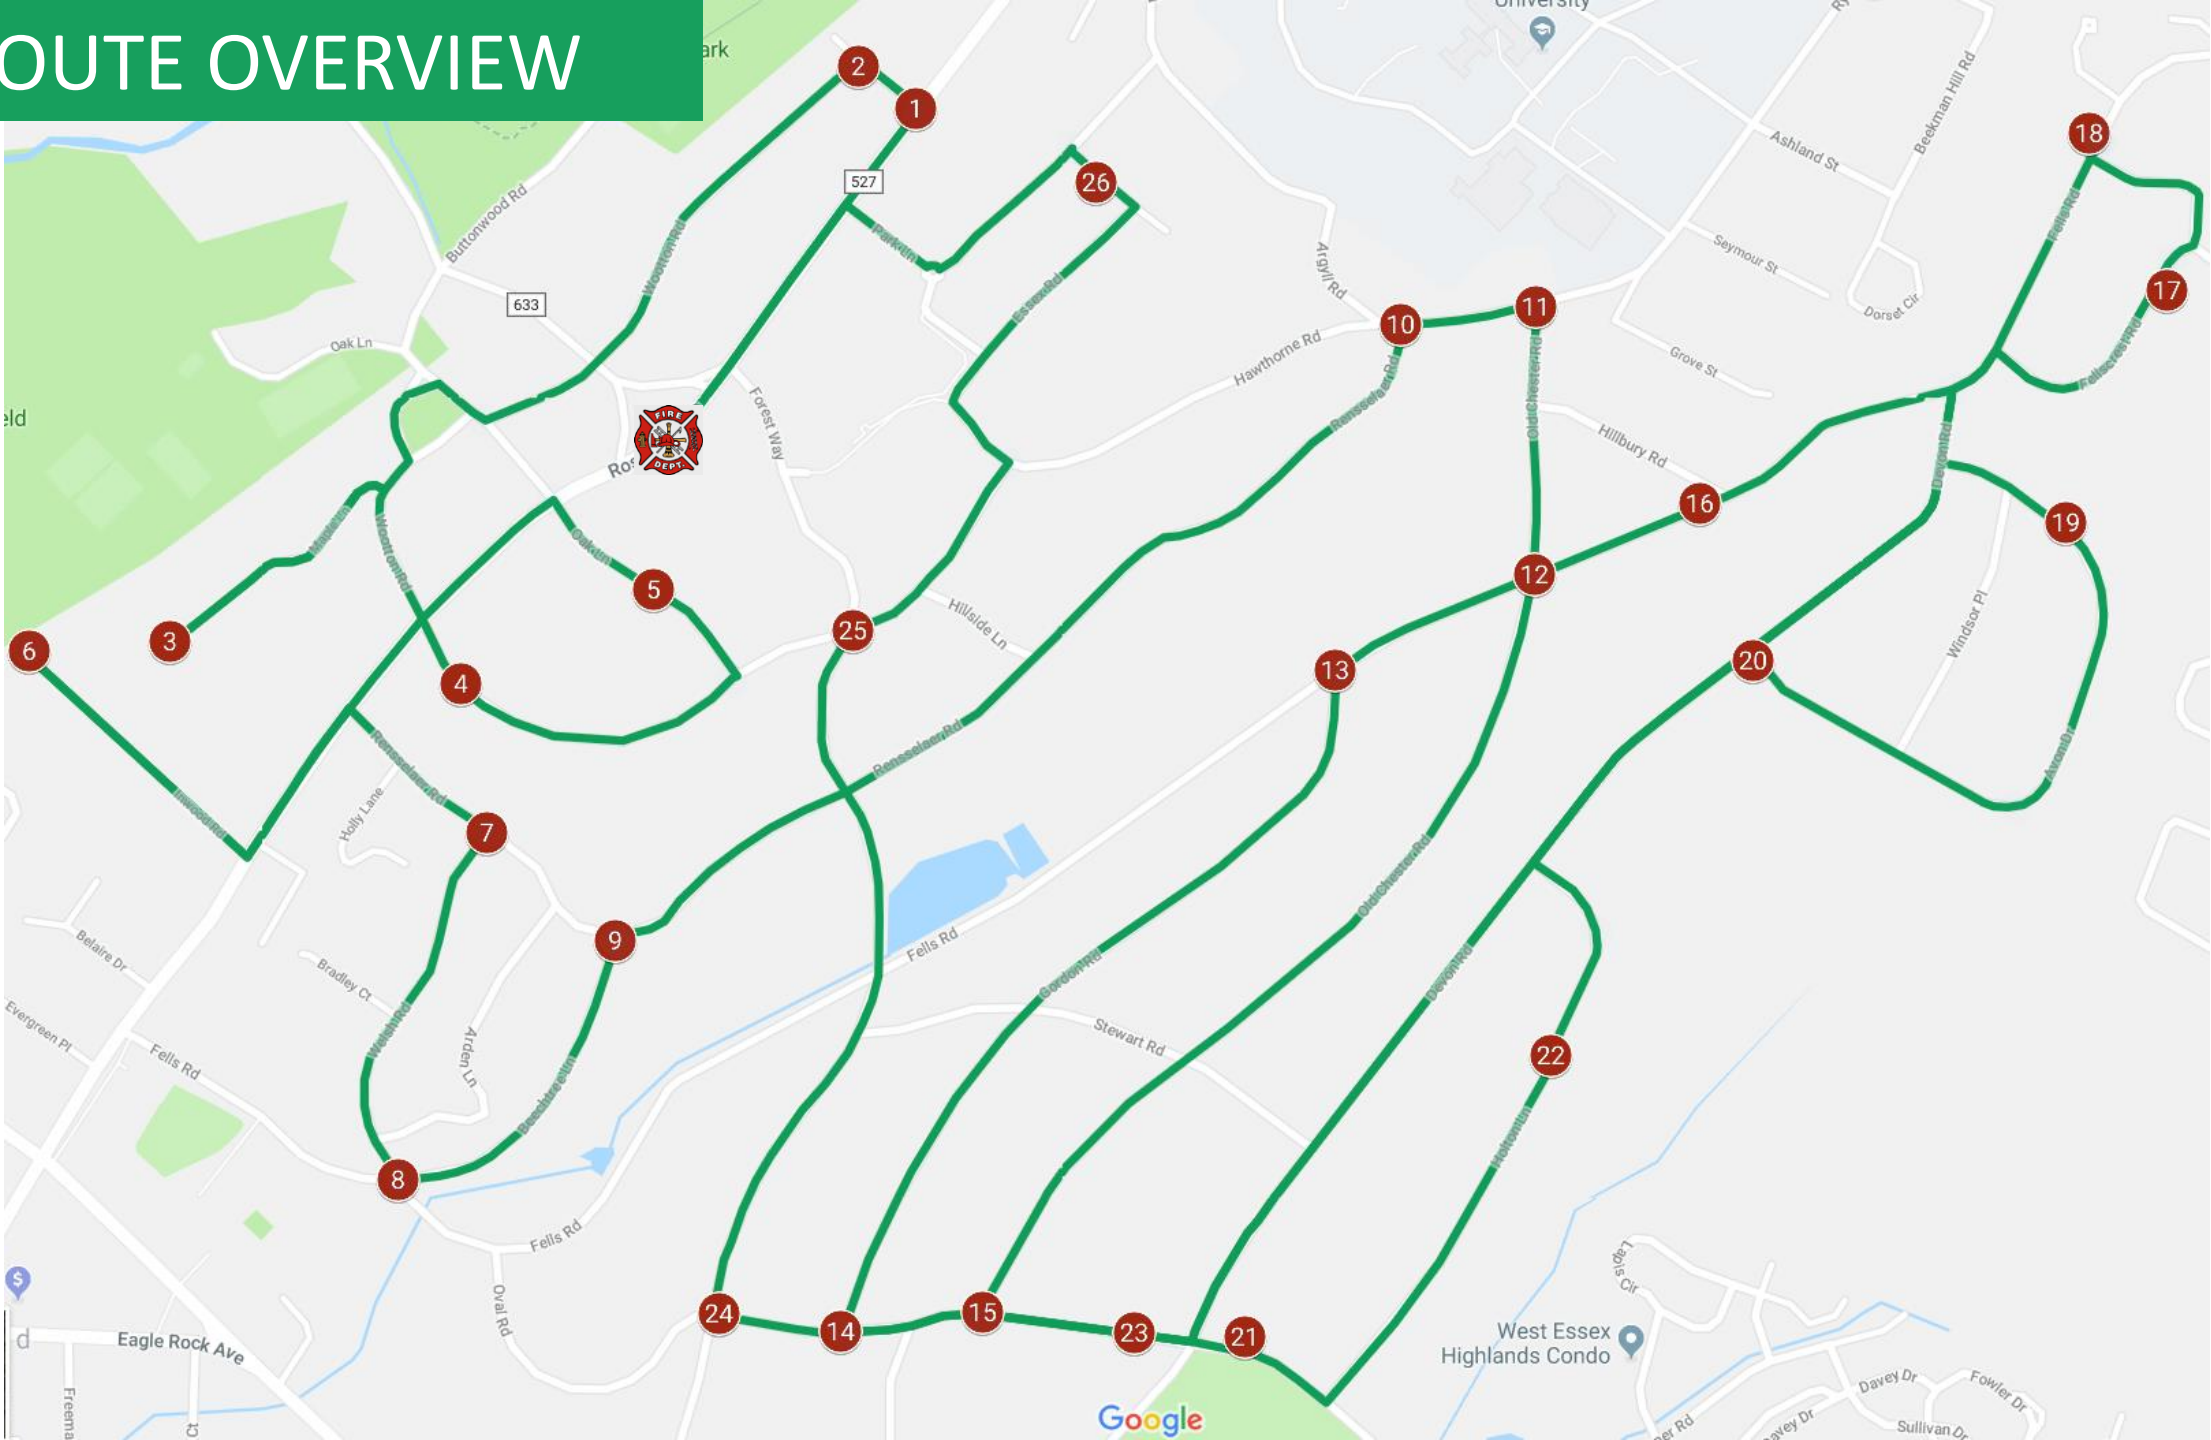

*** NEW FOR 2021 ***
PLEASE READ

- Given the prevailing health conditions and Santa's advanced age (which clearly places him in a high-risk population), Santa will once again deliver candy canes as he makes his appointed rounds – but please refrain from offering him hugs this holiday season.
- Santa will roll by your home and deliver hearty season's greetings to all who come out into their yards to greet him.
- **Please help keep Santa safe (the world's children are depending on you...) – maintain a safe distance from the Jolly Old Elf.**
- The route begins and ends at the Fire House at 255 Roseland Ave., commencing at **1:00 pm**.
- All times in this route map are **ESTIMATES ONLY** – we always do our best to stick to the plan, but your best bet is to keep an ear out for our sirens. Generally, the later in the day we're scheduled to be in your area, the further behind schedule we may be.
- We'll be in every area of town; if we're not coming down your street, find a friendly neighbor on the route, grab a cup of cheer outdoors at a safe distance from one another, and get yourself a treat and a wave from Santa.

Please be courteous to our volunteers – remember: Santa is watching! This is a great service they provide to our community and our children.
